## Map of iCAMP

### Emergency contacts:

All directors will have walkie talkies on them through the whole duration of iCAMP

Jack Sharp 910-443-9409

Stephanie Shapiro 704-929-9710

Melissa Shore 828-964-9299

Andi Gelsthorpe 217-821-3010

Rob Peters 217-821-7972

### Locations during emergencies

- Emergency evacuation points will be via main entrance gates
- First Aid kit will be centrally located at restrooms/first aid station
- Fire extinguishers will be found in dining hall
- In an emergency contact any volunteer or director

Risk/Problematic area	Frequency	Severity	Solution
Tripping/Falling outside	7	2 or 3	Be aware of surrounding when walking around the property
Camper having a break down/emergency situation	4	8	There is mandatory training for any volunteers at the camp. That way they are properly informed and know who to contact in an emergency.
Falling into the pond	2	5	We will have volunteers making sure their group is staying together during activities. If activities are held on the pond everyone will be provided life jackets.
Animal/Insect bites	8	2	First aid kit will be on the camp property
A camper acts in a way that causes danger to themselves or to others.	2	8	Pre-activity planning will consider ways of managing campers who may endanger themselves and/or others. This may include strategies that support students, isolate them from the risk or remove them

			altogether from the environment. This should be documented in the informed consent material sent to parents
Food allergies	6	8	Applications filled out before the camp will have an area to put down any food allergies a camper may have. Campers can provide their own lunch if needed.

## Closest medical center:

Watauga Medical Center

336 Deerfield Rd, Boone, NC 28607

12 min (4.3 miles) via Payne Branch Rd

## F.A.Q's

1. Are there age limits?

No. We do ask that if the camper needs medical/toilet/behavioral help that a care giver accompany that camper.

2. Does a camper need to have a specific diagnosis?

iCAMP is inclusive to any and all special needs campers

3. Where is the camp?

634 Sky Ranch Rd., Blowing Rock, NC 28605

4. Is transportation provided?

No, parents and/or caregivers will need to drop off and pick up campers at the designated times.

5. Do the campers need to pack a lunch/snack?

Lunch will be provided and a mid morning snack.

We cannot provide for special dietary restrictions so you are encouraged to provide lunch if this is the case.

6. Wheel chair accessibility?

The camp is mostly outdoors activity in grassy areas and mowed fields. Bathrooms and dining areas are accessible and we encourage all to attend. If a wheel chair is used for mobility then we would want to encourage a care giver to help. We will have ample volunteers to assist as needed.

7. Can a sibling attend?

Yes, the sibling will need to have an application and \$125 tuition.

8. Do you have to live in Watauga County? In NC?

Residency isn't required for campers to come. We do not provide overnight accommodations for campers or families so you will have to make your own arrangements. Contact us for information about lodging partnerships.

9. How do I register? What do I do if I want to volunteer?

Online applications are available on the website for both campers and volunteers

10. How much does it cost to send a camper to iCAMP?

Tuition for 2017 is \$125 per camper for the week

11. Do I need to register if I am accompanying my child?

Yes, you will have to fill out a volunteer form. Even if you are a parent or caregiver we need a volunteer form filled out however, there will be no fee.

12. What time should I drop off my child/ pick up my child?

15 minutes prior to the start of the camp and ideally 15 minutes before the camp ends for the day.

13. Does my child need to bring any equipment or supplies?

It would be good to have the child bring a bag with sunscreen, bug spray, a change of clothes, extra shoes, and a raincoat. We can keep this bag on the camp property for the week and use as needed. If anything is needed specifically for a camp day we will announce it and let parents know.

14. How can I donate/become a sponsor?

Contact us through the iCAMP website or email Jack Sharp at [jack@icamplife.com](mailto:jack@icamplife.com)

15. Do we have a risk management plan and do we carry general liability insurance?

Yes, we have both.
